SKIN TIGHT

Enhances natural muscle tone and gives skin the most flattering, subtle glow. And it's free of parabens, propylene glycol and synthetic fragrances or dyes. Prtty Peaushun skin-tight body lotion comes in five shades, \$36, prtypeaushun.com

Bellacures Nails Down New OC Location

The super-stylish nail salon opens with a splash in Newport Beach. Since opening its doors in 2006, Bellacures has gone from a single Beverly Hills salon to five locations in LA's trendiest areas. Attracting an ever-growing loyal client base, they have taken their buzz to the OC, with a sixth installation in Newport Beach on Balboa Island. There are no signs of slowing down in 2012, with a Laguna Beach locale slated for February. *Bellacures*, 301 Marine Ave, Suite B, Newport Beach, 949-226-7496, bellacures.com

FLIRT-WORTHY

A safe and effective formula for achieving visible eyelash augmentation. "I've been using this for about four weeks, and have longer and fuller lashes for sure!" Apply solution to the base of lashes once a day at bedtime. ELASTILash by Obagi Medical, \$60, obagi.com

SPA NIGHT

A 100% natural balm for face and neck that takes advantage of the changes in the skin's nighttime biological rhythms. "This smells so beautiful and feels so relaxing before bed." *Decléor Aroma Night Neroli Essential Night Balm*, \$69, nordstrom.com

GIVE YOUR FACE A LIFT

The Epic Enzyme Signature Facial at the Queen Bee Salon and Spa is a must. "I always assess the skin first and we always err on the side of safety. I always suggest choosing a "custom facial" first; that way, we can customize the facial to their needs." explains founder Jodi Shays. The Sanitas products she used are biogenic and preservative-free, and left my skin feeling plump and hydrated. *Epic Enzyme Signature Facial*, \$135, [Queen Bee Salon & Spa](http://QueenBeeSalon.com), 2350-A San Vicente Blvd., 310-570-2282
